REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

As stated in the previous office action:

Amended claims 7 and 14 states that the nose cone includes the bypass passageway, the siphon passageway and the venturi therein. Powers ('280), Smith ('736), Breston ('819) and Cholet ('842) all fail to teach these elements being located in the nose cone. These elements are located in the pig body and there is no motivation to change the location of the parts other than to achieve the claimed invention. Therefore claims 7 and 14 are free from the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
